Business Training Results

- A Business Development Training for **8 returnees** was conducted in October 2020.
- Topics of discussion within this training included: “The role of micro businesses in Afghanistan”; “Financial management”; “Operations management”; and “Managing growth”.
- Before and after the training returnees were asked to answer a short questionnaire. The graph below shows access to employment opportunities, as perceived by the beneficiaries. This is based on a rating scale of 0-5 (with 0 being the worst score and 5 being the best) As a result of the training, the outlook was better.
